SAVE TIME MAKING DEPOSITS &
CASH EXCHANGES WITH A

BUSINESS CASH MACHINE

ANZ

BUSINESS CASH MACHINES

ANZ Business Cash Machines are available 24/7 (exceptions apply), allowing customers to quickly and securely drop off Fast Deposit Bags and exchange notes and coin for different denominations.

Fast Deposit Bags

- Make fast deposits by simply scanning a fast deposit code.

- Make note, coin and cheque deposits using Fast Deposit Bags[1].

- Funds are generally processed within one (1) Business Day after the date of lodgment (excludes cheques[^])[2].

Cash Exchange

- Exchange cash for notes and coins of different denominations (up to $999 per transaction).

- Ability to check cash availability from the home screen without needing to login.

- Supported languages - English, Hindi, Korean, Greek, Italian, Arabic, Chinese (trad/simp), Vietnamese.

- On-screen PIN pad allowing values to be entered quickly.

- Convenience to choose an alternative denomination in the event a particular denomination becomes unavailable.

[^]Please allow an additional 3-7 business days for a cheque to clear.

HOW TO USE
A BUSINESS CASH MACHINE

ANZ business customers and third-party depositors can deposit funds using a Fast Deposit Bag[1] and make Cash Exchanges. Here's how.

Deposit with a Fast Deposit Bag

1. Ask the branch for a fast deposit code (which can be used multiple times).

2. Scan the fast deposit code.

3. Enter the value of cash for each Fast Deposit Bag (excluding cheques).

4. Select Next to continue.

5. Scan the barcode on the Fast Deposit Bag.

6. Place the Fast Deposit Bag into the machine's slot.

7. Collect your receipt[3].

Cash Exchange

1. Ask the branch for a fast deposit code (which can be used multiple times).

2. Check the change levels of the denominations you require.

3. Scan the fast deposit code.

4. Select the language you would prefer.

5. Select your denominations using the On-screen PIN pad.

6. Insert your AUD Notes.

7. Wait for the device to issue coin, notes or both and change if applicable.

8. Collect your coins, notes or both and change if applicable.

9. Collect your receipt.

FAST DEPOSIT KIOSK

FAST DEPOSIT KIOSKS

ANZ Fast Deposit Kiosks allow ANZ business customers and third party depositors to make fast and easy deposits.

- Make fast deposits by simply scanning a fast deposit code.
- Conduct fast, secure and convenient banking.
- Deposit notes, coins and cheques using Fast Deposit Bags.
- Funds are generally processed within one (1) Business Day after the date of lodgment (excludes cheques^).[2]

^Please allow an additional 3-7 business days for a cheque to clear.

Depositing with a Fast Deposit Kiosk

1. Ask the branch for a fast deposit code (which can be used multiple times).

2. Scan the fast deposit code.

3. Enter the total cash amount in each bag (excluding cheques) and press enter.

4. Scan the barcode on the Fast Deposit Bag.

5. Place the Fast Deposit Bag into the chute.

6. Collect the receipt[3].

HOW TO USE A
FAST DEPOSIT CODE

USING A FAST DEPOSIT CODE IS EASY

A fast deposit code allows customers to use a Fast Deposit Kiosk and Business Cash Machine for their cash deposits and cash exchanges.

If you need to create a fast deposit code, head into an ANZ Branch and one will be created for you. You can then:

- Save your fast deposit code to your mobile or tablet and scan directly from your device; or
- Print your fast deposit code as many times as you need.

Business name Bean There Coffee
BSB 012012
Account number 123456789
Agent number
Date generated 21/01/2019

Who can I contact for more information?
