PREMIUM RATE REDUCTION AND UPGRADE ANNOUNCEMENT

Thank you for continuing to insure with us. We are pleased to announce a premium rate reduction and upgrade to your ANZ Credit Card Insurance policy.

This document updates your ANZ Credit Card Insurance policy terms.

Your policy will not be worse off as a result of this upgrade. If you are inadvertently disadvantaged in any way then previous benefit wording will stand.

How to read this upgrade announcement

You should read this document together with your policy contract, which is the:

- ANZ Credit Card insurance PDS and policy document dated 1 April 2012 (PDS), including the Supplementary Product Disclosure Statement dated 10 March 2014 (if we have provided you with this);
- “A reminder about your credit card insurance” document (if we have provided you with this);
- your policy schedule; and
- any endorsements or any other notice we have given you in writing.

Terms in this document have the same meaning as in the PDS, unless we state otherwise in this document.

From when the price reduction and improvements apply

The premium rate reduction and improvements set out in this document are effective on and from 27 February 2016.

The improvements apply only to claims where the relevant claim event first occurs, on or after 27 February 2016.

The improvements do not apply to past or current claims or any claims arising from claim events which first occurred, or were first diagnosed, or for which symptoms first became reasonably apparent, before 27 February 2016.
